PRO VISION 19TH ANNIVERSARY GOLF DAY

31 OCTOBER 2026 COMBINED STABLEFORD

Port Shepstone Country Club came alive on Saturday, 31 October, for the exciting Pro Vision 19th Anniversary Golf Day. The 10am shotgun start sent the day into full swing, setting the tone for a vibrant celebration filled with energy, laughter and great golf.

With 111 players participating, the turnout was fantastic. The Combined Stableford format brought everyone into the action, while plenty of sponsored watering holes kept the atmosphere lively along the way. Even with the windy conditions, it was a fun filled day on the course from start to finish.

Once the golf was over, the celebration carried on with live music from the sensational Renaye, adding an unforgettable soundtrack to an already memorable day.

A heartfelt thank you to Pro Vision for your outstanding contribution to golf development and charity on the South Coast. We are deeply grateful for your support and proud to be the home club of the majority of your members. We are super excited for the 20th Anniversary next year which promises to be huge!

A Word From Our Greenkeeper...

Jesse Verster

Greetings everyone. I played on Saturday and had great fun at the Pro Vision Golf Day. I was looking as I was playing, the golf course is looking good. Still 1 or 2 greens that need attention. We started aerating the greens but the machine broke so we will be carrying on as soon as it's fixed. The tee boxes are coming on, still ongoing on some of them. We have shrunk some greens due to some sections not growing nicely, we are busy fixing them and as soon as they are ready we will go back to their normal size. We are cutting the greens low at 3mm, we can’t go lower with the heat so adjust your putting if it's slower. It's summer and the grass is growing fast. Until next time....Cheers 👊
