MENLO PARK ATHLETES

This summer, our club has yet again been energized by the arrival of a group of talented school athletes from Pretoria! Eager to hone their skills during the off-season, these students have chosen our club as their training ground for their Sea Camp. Their enthusiasm and dedication are extremely inspiring and we are so proud to be a part of their journey.

This Sea Camp is packed with activities designed to challenge and improve the athletes abilities. From intensive training sessions to exercises, every aspect of the program is tailored to maximize their potential.

Joining the Menlo Park Athletes this year is Wayne Coldman, a key member of Akani Simbine's (South African Olympic Sprinter) support team, serving as his Strength & Conditioning Coach. We are truly honoured to be in the presence of such a reputable individual.

A special thank you to all the teachers of Menlo Park for joining us this year again. Its been such a privilege and a pleasure hosting your kids. We are so proud of their accomplishments!

LADIES CHRISTMAS GOLF

A fun 9-hole American Scramble was held at Sheppie on Thursday followed by a braai to celebrate a successful year of golf in the South Coast Region.

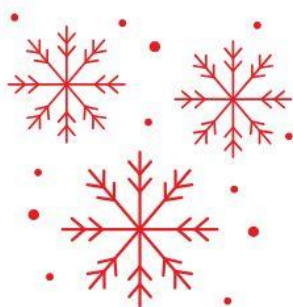

Ladies came from as far afield as Durban to enjoy the camaraderie and festivities. We also welcomed the South Coast Region President (Sandi Burger) and her committee Delia Cockerill, Zelda Menne, Linda Hall and Jenny Hulley. Lady Captains from the South Coast Region participated and there were 2 novice golfers, Belinda van Wyk and Alison van der Merwe making their debut.

Heartfelt thanks to Jess Verster & the Pro Shop for giving the ladies "courtesy of the course", it was greatly appreciated.

A total of 24 players enjoyed the 9-hole fun format with the results as follows:

A word from our *GREENKEEPER...*

JESSE VERSTER

Hi there all.

We aerated all the greens again with 8 mm tine. We try and do this every 6 weeks. We put some expensive fertilizer on the greens to help those bad patches on some of the greens affected by the aggressive fairy ring fungus. It is recovering slowly.

We built a new tee box at the 5th which is now much lower. This is to accommodate the golfers that are battling to walk up to the original tee box.

The new forward tees will now be the Red tees.

We have had some nice rain lately causing the grass everywhere to grow fast.

The staff are really doing their best to keep the course tidy.

Till next time ...cheers!
