Special thanks to Maser Security (Rudi Coetzee) & Mi7 (Hendrik Gericke) for their generous sponsorships and for also joining us on the golf course and adding to the festivities of our monthly Business Day.

A word from our *GREENKEEPER...*

JESSE VERSTER

Hi all. We have once again aerated our greens with 8 mm tine, it's needed especially when your greens are compact. The greens are good and fast, with no growth at the moment. You will also notice that we have almost no winter grass on the greens which affect your putting, thanks to our special product that we have sprayed. September is around the corner...can you believe it??? Things will start to happen on the course. Lots of growth, trees start up again and so on. We have had very little rain but I see that we are expecting some soon. Until next time...Support your club. Cheers!
