## HOLE IN ONE ALERT!

RUDI STEYN

For any golfer, the dream of achieving a hole-in-one is a constant companion. It's that almost mythical moment when skill, luck, and a perfect swing converge. But for Rudi Steyn, that dream became a reality on Friday, the 9<sup>th</sup> of January 2026 on hole number 5. Rudi's lucky club was a 9 iron with a distance of around 144 metres with the red flag at the back just behind the bunker. The wind coming across from the Sheppie bridge side, blowing inland. "I aimed about 5 metres left of the flag, hoping to fade it into the hole. It went perfect, cleared the bunker by about 2 metres. Charles Hulley shouted "clear the bunker, clear the bunker!", and then "I think it is in!" said Rudi, when asked to share his experience with us. "I saw it bounce and then rolled for approximately 80 cm's. When I lost sight of the ball, I knew it did not roll over the green and was sure it had to be in the hole. It just felt like the perfect shot, good contact, nice flight in the air clearing the bunker, soft bounce and in she went!" Rudi recounts. This is truly a remarkable moment and we wish Rudi many more in the near future. Rudi's greatest relief is that he got his first Hole in One before his wife did! No pressure, Ilse! 🤔
