A word from our *GREENKEEPER...*

JESSE VERSTER

Hi all. At last, the rain has stopped. Blessed to have it. The course took a pounding but we've had to close the front 9 holes for a couple of days. It was way too wet, especially at number 4, 5 and 6 due to the water that seeped through the mountain. We have beautiful sunny weather for some time on my weather chart which will dry the course out. The machines have been cutting overtime to catch up. We are aerating all greens with 8mm tines just to give the soil some oxygen. Thanks for your patience and understanding.
Cheers, see you on the fairways!
