A word from our *GREENKEEPER...*

JESSE VERSTER

Hi all. Looks like winter is here, there is not much happening on the course. We have sprayed our first batch of product for the winter grass 10 days ago and the next batch will be sprayed this week . This product controls the winter grass, to retard it and kill it.

The greens will pick up speed now due to no growth and this is when all grass goes dormant. So enjoy the course...long drives and fast greens!

Until next time ...Cheers!
