# A word from our *GREENKEEPER...*

*JESSE VERSTER*

Hi everyone. We are lucky to have some rain, not much but it helps. The greens are still looking good, still not much of growth though.

We haven't cut fairways and rough for some time.

There is very little grass coming off the greens when we cut . We are going to aerate with a bigger solid tine of 12mm this week just to loosen the soil for better drainage and gas exchange. So enjoy the course as it is ...and see you on the fairways. Cheers!
