MAKMOER BUSINESS DAY GOLF

The MakMoer anniversary business day golf competition hosted on Friday, 14 August, delivered a memorable and highly successful day on the course, bringing together an incredible field of 104 players for a spirited celebration of golf, business networking, and club camaraderie.

A total of 19 sponsors contributed to the success of the event, adding valuable support, energy, and visibility throughout the day. Their involvement helped create a professional and enjoyable atmosphere, while the 4 watering holes by Safire Insurance, Halfway Ford Port Shepstone, KIA Port Shepstone and SAB added a lively social element that kept players refreshed and engaged around the course.

The competition was played in a 4-ball alliance format, with 2 scores to count on each hole. This format encouraged teamwork, strategy, and consistency, while still allowing every player to contribute meaningfully to the team result.

Conditions on the golf course were challenging, with windy weather adding an extra test to club selection and course management. Despite the wind, players embraced the challenge and the day was filled with great golf, good humour, and competitive spirit.

Live music by Dj Louis & Annika added to the festive atmosphere, creating a vibrant finish to the day and giving players, sponsors, and guests the opportunity to relax and celebrate after the round.

Overall, the anniversary business day golf competition was a fantastic success. With strong player participation, excellent sponsor support, entertaining watering holes, live music, and a great atmosphere from start to finish, the event stood out as a proud and memorable occasion on the club calendar. A special thank you to our main sponsor, Makmoer Clothing & Apparel and to our amazing guest sponsors for the continuous support.

FRIDAY (14 AUG)

A WORD FROM OUR GREENKEEPER...

JESSE VERSTER

PLEASE REPAIR BALL MARKS! Only YOU can prevent ball mark damage!

RIGHT!

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

WRONG!

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system

RIGHT!

Insert tool and push back and sides forward to center. No damage to root system. Healing starts immediately.

Hi everybody, it's been very cold and some good rain as you all know. The greens have been taking strain due to this weather with no growth at all. We are waiting for spring now.

We have started aerating the greens again just to help them on. We have noticed that some people don't respect the golf course by taking out some chunks of the greens, they probably missed the putt and took a swing on the green. Pitch marks as well. If everybody just fixed one or two, it helps ...it's your club. Until next time..cheers!
