GARRUN GROUP GOLF DAY

Saturday, 17 October 2026 | Full Scramble

Our Garrun Group Golf Day at Port Shepstone Country Club on Saturday, 17 October was a fantastic success, bringing together a brilliant turnout for an exciting day of golf, friendship and community spirit.

Played in a full scramble format with a 09:30 shotgun start, the event delivered plenty of action from the first tee to the final putt. Teams worked together to choose the best shots, combining powerful drives, accurate approach play and steady putting to navigate the course. The scramble format created a wonderful balance of competition and camaraderie, with players encouraging one another, celebrating great shots and enjoying every challenge along the way.

With the course looking its best and the atmosphere buzzing, it was an amazing day both on and off the golf course. The fairways were filled with energy, laughter and friendly rivalry, while the clubhouse atmosphere continued long after the final scores were recorded. Golf days like this are about more than the competition. They bring people together, create lasting memories and celebrate the shared enjoyment of the game.

The afternoon continued with fantastic live music by Ian King, adding the perfect finishing touch to an already memorable occasion.

Thank you to our wonderful golfing community for your incredible support and for helping make the day such a success. A special thank you goes to Garrun Group and Kevin Manthey for hosting and organising such a well-run event. Your support, effort and attention to detail made it a truly enjoyable day for everyone involved.

A Word From Our Greenkeeper...

Jesse Verster

Hi all. It looks like we are in for a very hot summer after looking at the El Nino stats. The greens are coming on slowly, we will be aerating again in a weeks time after the Correctional Services golf tournament. The tee boxes have been leveled but it is still ongoing. Spring treatment will be postponed this month and moved to January next year as we have too many things happening which we are very grateful for. All machinery are cutting full time, we are trying to keep up. The few greens staff we have are really doing a great job. Please if anyone has some ideas or any problems you see on the golf course, you're welcome to phone me anytime. It's our golf course. See you on the fairways...Cheers!
