## SANDF GOLF CHAMPIONSHIPS 2026

It is a distinct honour and privilege for our club to have hosted the South African National Defence Force (SANDF) Golf Championships 2026 over 5 days including their practice round.

We welcomed the players, officials, and guests with deep respect and appreciation for the service they represent. The entire week was absolute perfection with beautiful weather and a super vibrant atmosphere. Every shot was a memory made and we are so thankful to be a part of this exhilarating event.

The flag hoisting ceremony set a dignified and meaningful tone for the championship week. The course hosted a competitive tournament that showcased the skill, focus, and sportsmanship of SANDF golfers from across the country.

It is a privilege to have played a part in supporting the SANDF through this event, and we are incredibly grateful for their support over the years. We thank every competitor and guest and we look forward to next years Championship. A special thank you to Pine Pienaar for the beautiful photography.

# MASTER BUILDERS ASSOCIATION GOLF DAY

The Master Builders Association Golf Day 2026 held at Port Shepstone Country Club on the 22<sup>nd</sup> of May was a standout success, bringing together a field of 112 golfers for an unforgettable day on the course. With 10 sponsored watering holes and a truly festive atmosphere at the golf club, the event delivered both strong participation and great spirit. The sponsor presence across the course added energy, visibility, and extra moments of engagement throughout the day. The tournament format which was an American Scramble kept play moving smoothly while giving players plenty of time to enjoy the course and connect between shots. From the opening tee to the final putt, the day balanced friendly competition with a relaxed, social pace. Across the course, sponsored holes created extra moments of interaction and added to the sense of occasion. The atmosphere remained upbeat throughout, with plenty of encouragement, good-natured rivalry, and shared highlights. Special competitions such as the 5-hole putting course created on the putting green, added an extra layer of excitement, sparking conversation between groups and keeping everyone engaged right through to the clubhouse wrap-up. The post-round gathering provided a fitting finish, bringing everyone together to celebrate the day's standout moments at the prize giving and dinner. Thank you to everyone who contributed to the success of the day. And a special thank you to Tiashka Ramlal and the Master Builders Team for organising and executing yet another brilliant and fun filled golf day for their association.

The event welcomed a great turnout of 41 golfers, with members, guests, and sponsors contributing to a fantastic day.

**A WORD FROM OUR  
GREENKEEPER...**

**JESSE  
VERSTER**

Hi everyone. What a week we had with the Sandf and Builders tournaments. The course was really in good nick and the staff worked overtime to get all things right. We had very good comments, and yes the staff need a well done on this! Growth has really slowed down as Winter is on its way. We will be aerating again with a very thin tine just to help the greens through these times. We are also going to spray our special herbicide to stop the winter grass creeping in. It's those small lumps of grass that you get growing on greens that always come during the cold months, it's called Poa Annuua. Till next time...Cheers!
